

APRIL IS NATIONAL  
**CHILD ABUSE**  
PREVENTION MONTH

# IT'S YOUR TURN TO MAKE A DIFFERENCE!

Cayuga/Seneca Community Action Agency has scheduled many events and activities throughout the month of April to emphasize the critical importance of preventing child abuse and neglect and keeping children safe in our community.  
Learn more about how you can help make a difference below!

**Pinwheels** are the national symbol for child abuse and neglect prevention. Prevent Child Abuse New York is encouraging New Yorkers to take action to support child abuse prevention by planting a pinwheel garden and hosting educational events throughout the State during the month of April. Complimentary seed kits are available online at [www.preventchildabuseny.org](http://www.preventchildabuseny.org).

**Go Blue April 7, 2017** - Join this National movement and wear blue, the official color of prevention, to show your support for children. Take a selfie or group photo, post on Facebook and tag our Agency! Encourage your employer to create a Go Blue event and collect donations to support CSCAA's programs designed to strengthen families and prevent child abuse.

**Bottoms Up Diaper Drive** - We are collecting diapers, wipes, and other baby items to support families in need throughout the month of April. Organize a Diaper Drive or drop diapers off at our headquarters located at 89 York Street in Auburn or Seneca Programs site located at 23 Center Street in Waterloo.
